

STOREMASTER

Our Company

The Storemaster team designs and manufactures a range of storage products including over bonnet storage lockers and cages.

Over Bonnet storage is used in a variety of settings including home garages and apartment developments.

Well equipped manufacturing facilities allow us the flexibility to fill large orders and provide custom storage units, including solutions that comply with unique body corporate standards.

10yr*
Warranty

**Limited warranty - 10 Years on the powder coated metal panels
5 years on all hardware components
(3 point lock, struts etc.)*
